The membership of Property Owners Association of New Jersey is comprised of both rental property owners and the businesses that serve them. One of the benefits of membership for the businesses is inclusion in our business directory. The business directory is utilized by owners who are seeking services and product. These associate members are vital to our organization. They are often experts in their field and more than willing to assist you with your issues; whether it be a renovation, legal issue of refinance call on our members first. We are sure you will be pleased. They assist us in providing education, speak at meetings and are often the go to people for articles or to address pressing issues.
